various committees of the City and held a lengthy and important session last evening, the first of its kind ever held, and as a consequence reports of an important nature will be made this evening. The regular council session this evening will be devoted to paying contracts for Namayo Ave. First street should be extended till the intersection of 10th street, and the paving on Jasper Ave. should be taken this year; and that no street be paved in 1901 except the one paved portion of Jasper Ave. It was also decided to extend the boundaries of the city, thereby increasing the area to 1,000 acres. Tenants will be given votes on the question of whether a voter should be a tenant or not. This was undecided. In order to give the lion of the unemployed in the city a chance to get some work, the paving of 2,000 yards of gravel was ordered for the city streets.

**First Postponed.**

The matter must first be discussed by the committees was whether the city should afford to complete the paving of Jasper, Namayo and First street this year, or whether it should be postponed. In addition to the other work which had been carried out, Commissioner Parsons

to Ave, from Jasper to Sutherland, and the first street from Jasper to Iauvau and lay a double track it would cost \$62,974.

Belamy thought a single car line first street would be sufficient if a line with Namayo were formed. Ald. Williams raised the old question of whether Namayo or Kintining was the best for the proposed car line. He thought the street railway would be too much if put on Namayo, as Namayo and First street converged at the end.

Commissioner Pace stated that the estimated cost of the new power plant was \$110,000. Ald. Belamy, pointing out the expense of the city as possible. They had the new plant to install, the telephone system put in and several necessary sewers lay besides other matters.

Place said he thought the paving contract for Namayo Ave. and First might be extended to the middle of the year.

The blocks for Namayo Ave. had already been made and of course, would be paid for. Ald. Mansson mentioned that the city might be able to make arrangements if possible, to extend the contract for paving First street to Namayo in 1929, and that only the cost of the new blocks should be paid this year. The suggestion of Councilman Pace that one block on both Namayo and First might be paved to make the new paving show better than the old.

Asper Ave. cleaner was favorably mentioned. Ald. Gariepy supported Ald. Mansson's suggestion with the addition of an asphalt surface on the new paving near except on Jasper Ave. Ald. Mansson was not present and Ald. Armstrong had gone, but the remainder of the council was in favor of the suggestion. Ald. Mansson will accordingly make motion to extend this effect at the council meeting to-night.

question of supplying the unemployed in the city with work was raised. It was suggested that the city should have some gravel drawn this winter when it could be done cheaply to be used to pave some of the streets. Commissioner Face stated that it cost the Biotic Company 80 cents per yard to deliver their gravel last year they supplied men to load the wagons. He intended that 25 men could be employed to deliver gravel. He believed the city should improve a few streets leading

those might be out to Hat Creek, out towards Stanch Plains and out towards the higher hills. He said that it would require one yard of for two running feet of the street, and that it would require one man to dig the work. He thought a night he might be piled on the streets and could be spread out next morning.

Garsy thought if the city had to spend it might be more profitable to have the street widened. He never this winter, if Nannayot had paved this year he thought the blocks over last year should be paved.

It was considerable discussed on the subject of the street moved on the street. The street would be for tending, the haul 10,000 yards of gravel. This was reduced to 2,000 yards. A resolution was passed that the street be paved at the council meeting this month.

northern limits of section 35, east to the center of section 15, township 23, range 20 west of the 10th meridian, thence due north to the northern limits of section 15, due north to the north-west corner of section 15, range 20 west of the 10th meridian, due west to the north-west corner of section 15, then south to the center of the Saskatchewan River, and from there down the center of the river to the point from which the line starts.

This addition to the city takes in the east and west end city parks, the Grand Trunk Pacific property north of the city, the C.P.R. property and the Oldham property. At the present time the area of the city is approximately 3,500 acres. The addition which it is proposed to add includes about 5,000 acres, making the new area of the city 9,000 acres or nearly 15 square miles. This new property will only be assessed for school taxes until 1931. The purpose of this new assessment is to equalize the assessment without reducing it. The present assessment of the city is \$23,750,750 and the taxes are approximately \$325,000 including both school and general taxes.

**Vote for Taxpayers.**  
The Assessment Committee also discussed the question of extending the franchise to allow tenants to have a vote. The committee were in favor of this extension. Mayor McEwen introduced the question of whether a vote should be a British subject or not. The members of the council present were divided on this question, part of them being in favor of having every municipal voter a British subject and part of them being opposed to it. This question was finally left in abeyance.

Amendments to the license law are also being considered by the Assessment Committee. They include increasing the assessment of open houses and other businesses. Their report on this question, however, has not yet been completed.

**Companies to Pay Charges.**  
At the last weekly council session the question of legal charges in connection with the application for franchises was referred to the committee on by-laws. After some discussion the committee decided to leave this matter as it was before, but to allow the city to pay all charges in connection with the application.

The special committee will have no report to make this week as to the progress of their work. They are expected to report on the question of legal charges in connection with the application for franchises.

The special committee applied to the city council for a letter of introduction to the city of Regina, which they have not yet received.

**Incinerator Question Next Week.**  
Mr. Belland introduced the question of what was to be done regarding the incinerator. He believed the De Cource incinerator was no good and he did not think the city should have paid them \$10,000. Mayor McEwen explained that this amount was paid the incinerator in order to put off the installation of the incinerator until a later date as they had no money to pay for it. Upon the suggestion of Mayor McEwen this question was left till a special evening for discussion.

**CONTACT WITH ARC LAMP.**  
Killed Joseph McInnis, a Trimmer, in a street in Winnipeg.

Winnipeg, Man., Jan. 20.—Joseph McInnis, trimmer and patchman in the employ of the city electrical department, residing on William Ave., was almost instantly killed about 10 o'clock last evening at the corner of Pattee Ave. and Fort street, by coming in contact with an arc lamp.

It was his duty to stand on his rounds on the street with his light and when he saw him fall. Two men carried him into the McGill House but he only survived a few minutes. An attempt was made to induce respiration by artificial means but without success. A number of medical men, including General Zeller, were on the spot shortly afterwards but McInnis was beyond aid and the coroner ordered the removal of the body to Thompson's undertaking rooms.

**THOUGHT HIM A SPOTTER.**  
Stranger in Saskatoon Roughly Handled in Hotel.

Saskatoon, Jan. 20.—A man named Bryant is in St. Paul's hospital suffering from severe internal injuries, caused, so he says, by several persons in a First Avenue hotel Thursday night. Bryant has suffered several lacerations, and his condition is serious. He states he is a stranger to town without money, and that he had come to the hotel to secure work. When there he was accused of being a burglar. Several persons, whose names he does not know, beat him, and ended by throwing a can of green paint over him. The paint ruined his clothes and his face bears the marks of a fist. Bryant belongs to Owen Sound, Ont., and efforts will be made to have him sent east when he recovers.

**Big Hotel for Prince Rupert.**  
Vanouver, B.C., Jan. 20.—The G. T. P. are arranging for the construction of a Victoria of a large stone hotel, situated in the center of the town, and on the site of the old Hotel Vancouver, on the Skeena river. The two new Hudson's Bay hotels are built, and all three are to be ready by the middle of May. The G. T. P. are also arranging for the construction of a hotel at Prince Rupert, costing a quarter of a million.

## BATTLEFORD & STRATHONA 7.

North Battleford, Jan. 29.—In a very fast and close game of hockey, the North Battleford defeated Strathona by a score of 7 to 6 in an interesting league game.

The puck was local at 8:15 and after eleven minutes of hard play, marked by checking, Dundas scored for Strathona. Twenty minutes later, went by before Howe scored for Battleford. The game was a battle of attrition. Two minutes later, Haddock, on a pass from Tobin, scored again for Battleford. Shortly after this, Haddock and Campbell mixed it up and after the referee had separated them, each sent to the fence for five minutes. Tobin and Howe got down after eleven minutes at the best kind of hockey and scored just before half time making the standing at 2 to 1 in favor of Battleford. After the rest period the puck was faced at 8:15. Strathona scored in eight minutes on a brilliant break and repeated the trick one minute later. The score stood 3 all. Two minutes later, Howe, after some late play, scored for Battleford. Then with fifteen minutes left, one and two minutes later, respectively, Tobin and Haddock notched points for Battleford making the standing 5 to 2 in favor of Battleford. Then for five minutes, how hard, exciting, and fast. When Graham scored for Strathona. Four minutes later, Haddock repeated the trick and five minutes later, Haddock scored. In two minutes, Tobin put Battleford one up and the game finished 7 to 7 in Battleford's favor.

## MACAULEY LOST AND WON.

Battleford Special.  
Calgary, Jan. 29.—The annual team-up opened today with thirty-one trials, sixteen local and fifteen from outside points. Skip Macauley, of the local team, defeated in the first round of the tournament by Preece, Calgary 9 to 2, but he defeated Calkin, in the Pledge competition 10 to 5 in the first round of the final challenge and in a drawn against Calkin, Red Deer in the Brewery committee.

Several sheets of ice were consumed yesterday owing to the warm weather but it turned colder later and the prospects look good for ice for the balance of the week.

The annual meeting of the Alberta Hockey R.C.C. took place last night in Alexander Hall, called by a committee member. The following officers were elected for the coming year: President, C. Bayne, Burnhead; first vice-president, S. Savage, Calgary; second vice-president, H. Trimble, Lacombe; secretary-treasurer, S. J. Blair, Calgary; chaplain, Rev. F. F. Weller, Red Deer; executive committee, Weller, Innes, O. C. Smith, Calgary; Dr. Harry Brett, Banff; J. B. Macdonald, Calgary. Committee on annual—see representative chosen by each club: Secy-Treas. Blair, Committee on Field, Trimble, Lacombe; Wilson, Innes, Fergusson, Stettin; C. J. Walker, Calgary. The next session will be held in Calgary.

## A FINE HORSE DEAD.

The Irish lord imported horse "The Arrow" by Gallatin, out of Little May, dropped dead in his first race at Los Angeles a short time ago. This horse, a very handsome one, was owned by a gentleman in Brandon, Man., and was imported at great expense about a year ago. He made a season at the Sunay Slope Stud in Kentucky, last year, and was put into training late last fall, having been entered in some of the California handicaps. He was perfectly sound when imported, and was a good race horse in the Old Country, having won several important cups and handicaps.

As this horse was the only son of the mighty Gallatin in America his loss will be greatly felt by the breeders of this country. There was a small insurance but had it enough to pay for shipping him from the Old Country.

## SPORTING BRIEVITIES.

It is reported in Toledo that Shortstop Eddie Franke is to be turned over to the Toronto team.

The Toronto pros are after Nemes to play right wing and Walter Mercer to play center. Lohme is in Winnipeg and Mercer is playing for Ottawa.

Here's a little problem in hockey: Quebec beat Ottawa 2 to 1; Ottawa beat Wanderers 12 to 2; Victoria beat Quebec 12 to 6, and the Shamrocks beat Ottawa 4 to 2. What will be the standing at the finish.

Jimmy Kelly, the former Eastern (Pa.) outfielder, who finished out the season with Redwings, and who was recently released by that club, has signed a contract to play with the Savannah team in the South Atlantic League next season.

Earlelight Vukob, the South African lightweight who recently made a great showing against George Mousie on the coast, has declared himself into his proper class. He says he will never again take on anyone weighing over 135 pounds in an important battle.

At Montreal 3000 people saw Quebec battle by Montreal 12 to 6.

Thessalon, Bill Rieck, Bruce Mies and the Canadian Soo have organized a league.

Kelly, the best man on the Smith's Falls team, fell exhausted in the Brockville game and could not continue.

Champion Burns has the greatest number of any pugilist that ever poked a shirt. We don't know who he is, and we have never heard of him. That is why.

James Michael McGraw, a brother of the Glaxo's famous manager, will be business manager of the Buffalo Eastern League team this season. He was recruited by Fred Kowalski.

The Canadian tariff dates for 1939 are: Woolskins, May 23 to June 6; Montreal, June 6 to June 20; Keweenaw, June 20 to July 25; Windsor, June 20 to July 25; Fort Erie, July 25 to Aug. 20; Montreal, Aug. 20 to Sept. 12; Windsor, Sept. 12 to Sept. 20; Hamilton, Sept. 20 to Oct. 10; Windsor, Oct. 10 to Oct. 24.

Manager Danahy of the Forewms, of Pittsburgh, failed to secure the desired result, it somewhere in Canada now, and when he returns to Pittsburgh it is because he believes that he will go back with more than one star whom Canadians think they have signed up.

Tom Flanagan, on his return to Toronto from New York, confirmed the report that he had been signed by the Montreal A.A.U. athletes for competing at the Labor Day games in Buffalo.

The A.A.U. athletes did not have permits and this brought on their suspension. The A.A.U. athletes for competing at the Labor Day games in Buffalo.

## MAPLE LEAFS BET PORTAGE.

Winnipeg, Jan. 31.—The Maple Leafs defeated the strong Portage team here last night 6 to 2. The ice was soft and sticky and the game was a bit of a struggle. The score was 6 to 2 in favor of the Leafs.

## EVERY EXONERATED.

New York, Jan. 29.—Raymond C. Eery the champion light jumper of the New York Athletic club, who had been charged with taking part in unexcused absences, and other irregularities, was exonerated of all charges by the registration committee of the Metropolitan District of the Amateur Athletic Union.

## HALL WITH MONTREAL.

Montreal, Jan. 29.—Joe Hall, of Brandon, who with Harry Smith, was recently expelled from the Manitoba League for rough work, made his first appearance in a Montreal uniform, and created a sensation among the few fans at the practice. He will be one of the fastest players in the league. Hall handled himself well, and has a shot like a bullet. Mann was also out with Montreal.

## BAN ON BOXING IN BOSTON.

Boston, Mass., January 29.—The Bald, wild-kid Goodman beat at Chelsea last night was prevented by order of Mayor Beck. The mayor sent a detail of police to the building and as the boxer, the preliminary bout entered the ring, they were notified that he was not a hard box man and they would be arrested. Baldwin and Goodman entered the ring but after a lengthy conference, decided not to box. Billy Pierce announced that the case would be fought in court today.

## IRWIN WANTS A JOB.

Pittsburg, Jan. 29.—Arthur A. Irwin, one of the famous old-time ball players, has written President Morton of the C. and P. League to the effect that he is after a managerial berth in this organization and he wants the chief executive to recommend him to club owners who are without a leader for their teams this season. Irwin has disposed of his hotel at Newark, N.J., and wants to get into baseball once more.

The famous shortstop and manager has been out of baseball for a year. After he quit playing ball with the Philadelphia Nationals, he managed many teams, not staying with a club more than a season. In 1906 he was leading the Atlanta team in the Tri-State, and in 1908 he was at the head of the Chicago City team in the A.A.

## READ THE WANT ADS.

## HOLDEN WOULD NOT GO.

Winnipeg, Jan. 29.—Barney Holden, captain of the Maple Leafs sent a wire to the Shamrocks here that he would not last night turning down their offer and telling them he would not go. Minnesota Shamrocks have been after Holden the last two weeks.

## NELSON WON.

Nelson, Jan. 29.—The first Keweenaw hockey match of the season was pulled off here on Saturday between Nelson, captained by Lester Patrick of Vancouver, and Brandon. After a hot game the Nelson team won by a score of 2 to 1, the score at half time being one goal.

## LEACH FOR CINCINNATI.

Cincinnati, Jan. 29.—There is absolutely no doubt but the Cincinnati baseball team is preparing to complete, if possible, the deals whereby Tommy Leach, Roger Bresnahan and Artie Heftman will be seen with the Reds during the coming 1939.

As for Bresnahan the situation is just this: McGraw has discarded his pet idea of the old grand and has shifted the majority of them to other territories. McGraw has secured a good youngster, George Schiel for Bresnahan, the deal is almost sure to go through.

## OTTAWA CLUB WITHDRAWN.

Ottawa, Jan. 29.—The Ottawa Amateur Athletic club, at a special meeting, decided to withdraw from affiliation with the C.A.A.U. owing to alleged unfair treatment by the various teams from the C.A.A.U. The club will conduct its own independent of any outside influence for the present at least. The decision is considered a very severe blow to the C.A.A.U. The C.A.A.U. having in his gone by been one of its staunchest members.

## SHRUBS WON BIG RACE.

Boston, Jan. 29.—In his last run in America, during the present tour, Alfred Shrub, the English champion, added to his laurels by the running away from the relay team of five Philadelphia and New York runners in a ten-mile run at the Park Square skating rink. The relay team were composed of Black, Hawk, Fred, Paul, Sam, Jerry, Cook, and Curran. Each of them ran two miles in the order named. Shrub took the lead at the start and never lost it. He was running away apparently and was hardly beaten when he finished the last lap, beating out Curran at the finish by full seven laps. His time was 51, 33.4.

## THE FIRST BASEBALL BULLETIN.

New York, Jan. 29.—President Pullman of the National League of professional baseball clubs, has notified the presidents of the clubs of the league of the following contracts and releases.

Contracts.—With Philadelphia—Walter Warwick, released.—By Cincinnati to Columbus (A.A.U.), Fred W. O'Neil, Roy Hill, Arthur T. Snodgrass.

By Pittsburgh to Rochester (E.L.), Will Jan J. Duggles, E. J. Anderson. By Pittsburgh to Wheeling (Central League), Harry Huston.

## ATTORNEY-GENERAL'S WON.

An interesting match was played in Saturday afternoon between Rink from the Public Works and the Attorney-General's departments, the former ekipped by Holt, W. H. Cushing, who is an enthusiastic curler, and the latter by John Beck. The minister's pucks were badly timed.

The score was: Attorney-General, 1; Public Works, 0. Fairly, Deyl, Beljays, Thom, Young, Cushing, Rink. Skip—39.

## WESTERN WENT RECOGNITION.

Vancouver, Jan. 29.—Western athletes are up in arms and will demand recognition from the committee which will select the team for the Olympic games at London. So far the western athletes' organizations have been ignored by the Eastern clubs, but with such great distances as Arthur Burns of Calgary and Will Chandler of this city, (who are on travel any distance with the best men in Canada, club here have decided that they must be given a chance for place on the Canadian team and will appeal to the committee to change that the west is being slighted is evident by the fact that no western men have been selected to take a place on the committee and organizations west of the Rockies are indignant at the manner and methods of eastern men, who have not the right to make the selection of places on the team. However, despite the attitude of the committee, Vancouverites are determined to have a representative at the great meet and if the committee shows form at the trial next here in February, it will be sent, experience being borne by citizens of this city.

## Drops in Lumber Prices.

Vancouver, Jan. 29.—The stock of logs in the water, and of lumber on land, is fourteen million feet in excess of the shipping output for last year. This heavy stock coupled with the fact that heavy stocks are coming in from the Northwest, is the situation, faced by the coast lumbermen. Conditions among the lumber mills are particularly the same, and there will be no change here at the coast and interior millmen, to discuss affairs on Thursday. There is bit stock and in the water at the coast, two hundred and sixty million feet, and with the exception of two mills which are cutting for export, all the large mills are shut down indefinitely. The lumbermen declare it is impossible to reduce prices in order to dispose of stocks.

## Vancouver Escaped Storm.

Vancouver, B.C., Jan. 29.—Vancouver felt only the tail end of the storm that swept the coast last night. If Cape Flattery the wind had the velocity of 70 miles and at North Head at miles an hour. Buildings were reported shaken in Grand View and vicinity.

## RIGHT OF WAY SECURED.

George H. Pope, Winnipeg, right of way agent of the Grand Trunk Pacific, is in the city in connection with the right of way for the line between Winnipeg and Edmonton. He has been secured by the company and the great part west of Edmonton to the westward.

Mr. Pope says track laying is still in progress over the Touchwood Hills and will be continued as fast as the line is cleared.

The right of way from the city limits to First street has been purchased by the company. A few lots, with reference to the purchase of which the company could not be reached, will be turned over to the railway for expropriation.

The line passes north of Queens across school and through the corner of the St. James Hotel, striking Mackenzie at the latter point. There is a probability that the G.T.P. will use the C.N.R. tracks and in this case the demolition of the hotel building will not be necessary.

The first session of the Edmonton District Court opened in the Supreme Court building, in the Chamberlain Block this morning, before Judge H. H. Taylor.

A long list of small debt cases, many of them involving the hearing of the cases, was then continued before the court.

The first case for trial in the District Court was the Ontario Wing Engine & Pump Company v. South Fork, California.
